

**GARDEN WATERING GUN  
(CAT. NO.: 20332)  
USER MANUAL**

**BEFORE FIRST USE**

Unpack the garden watering gun and check all parts for any damage in transit. The garden watering gun will be delivered with two watering attachments.

**ASSEMBLY AND USING**

**Using the 2-function Attachment**

1. For using the 2-function attachment (1), first press the release button (3) and insert the attachment into the gun. Let off the release button.
2. Turn the attachment slightly counter clockwise in order to lock in place.
3. For removing and changing the attachment, first press the release button (3) and pull out the attachment straight from the gun.
4. Connect the water hose to the gun, open the water tap and press the trigger (4) down for watering the desired surface. In order not to keep the trigger (4) continuously pressed; push the trigger lock (5) down. For unlocking the trigger, slide the trigger lock upwards.
5. For adjusting the water pressure, just lift up or push down the water pressure lever (6).
6. For adjusting the water jet on the 2-function attachment turn the rubberized sleeve (2) clockwise or counter clockwise.

**2 Functions**

## Using the 9-Function Watering Attachment

1. For assembling and using the multi-function watering attachment (7) proceed in the same way as mentioned in the previous chapter.
2. For adjusting the spray jet turn the rubberized sleeve (8) clockwise or counter clockwise until the desired icon matches the marking on the housing.
3. 9 Spray functions: Cone-Shower-Mist –Vertical–Flat-Angle-Soaker-Full-Jet

## CLEANING AND STORING

- Do not clean the housing with aggressive cleaners or water jet but only use a dry or moistened cloth.
- Store the garden watering gun while not in use in a frost-free place.
- Keep the watering gun out of reach of children.

## DISPOSAL

The packaging material is reusable. Dispose of the packaging in an environmentally friendly way by putting it in the appropriate recyclable waste collection containers.
