

TITANIUM PLATED FOLDING WOOD SAW

Cat. No.: 20404

Product Features:

The titanium plated folding wood saw provides optimal cutting efficiency and is suitable for all pruning requirements in your garden.

a Ultra-sharp triple-edged teeth can cut 5 times faster than the conventional saw blade.

b The titanium coating strengthens the high alloy steel blade's hardness, which ensures a long-term sharp edge for smooth cutting
Note: It is recommended to clean the blade after use with a damp cloth. This can help prolong the life of the saw. Remove any excess settings/foilage from the blade.

c Soft grip handle and hanging design for comfortable use; Blade can be easily folded into handle for safe storage

d The lock button can lock the blade securely in place when opening or closing the saw.

Locking button/locking instruction

- Squeeze the handle and push forward to lock
- Squeeze the handle and push back to unlock

DISPOSAL:

The packaging material is reusable. Dispose of the packaging in an environmentally friendly way by putting it in the appropriate recyclable waste collection containers.
